The Passages® Biodegradable Paper Turtles are crafted by hand from recycled paper bags using non-toxic glues. The skilled artisans producing these beautiful turtles are paid a fair wage in local workshop environments in Mexico. CUDDLE STONES

\$147.00

These beautiful works of art have been shaped by Dutch artist Geert Kunen, who adds a symbolic meaning to each piece so that the next of kin may find in it a personal meaning of their loved one. These ceramic products are all made by hand and each urn is unique. As such, small variation in colour and shape may occur.

Cuddle stones are ceramic and hold a very small amount of cremains
