NATURE URN®

(Semi-permanent)

All Colours: 27.5cm (high) *White also in Small: 18cm (high)

This 100% plant-based biopolymer urn is engineered to fully biodegrade within seven to nine years. The NatureUrn, however, will remain completely sturdy, unaffected by the environment and humidity until placed in soil which will begin the degrading process. It is designed to be equally suitable for display in the home, burial or scattering.

Place the Nature Urn in the ground and plant a tree as a lasting memory of your loved one over the urn. The tree will be well established prior to the urn breaking down.

- Decorative (NON biodegradable) decals for placing on urn are available separately.

CUDDLE STONES

\$63

These beautiful works of art have been shaped by Dutch artist Geert Kunen, who adds a symbolic meaning to each piece so that the next of kin may find in it a personal meaning of their loved one. These ceramic products are all made by hand and each urn is unique. As such, small variation in colour and shape may occur.

Cuddle stones are ceramic and hold a very small amount of cremains

Approx. 6cm wide. This urn is suitable for outside use.
